

Resolution in support of Initiative Measure 735

Whereas Initiative Measure No. 735 concerns a proposed amendment to the federal constitution stipulating that spending money is not protected political speech;

Whereas the amendment would ensure that contributions are regulated and publicly disclosed. It would also clarify that only people have Constitutional rights -- not corporations or special interest groups;

Whereas I-735 will not limit the freedom of speech, but ensure that the current system of legalized bribery by spending unlimited, secret campaign money be ended by providing transparency;

Be it therefore resolved that the members of the 44th Legislative District support passage of I-735 and a copy of this resolution be forwarded to our representatives so they may have the sense of the body.
