Editor's Notes

Welcome to the September issue! It is the intent of this Newsletter to encompass all elements of our LD. With that stated, I encourage those of you with article ideas, pictures from events or spotlight stories to please reach out to 44thdemsnewsletter@gmail.com. We look forward to hearing from you!

As we welcome fall this month we also find ourselves in the final stretch of Election season.

It's imperative that we mobilize! With so many qualified candidates within our party we are poised to make impactful influence up and down the ticket. I feel there's never been a more important time for Democratic leadership than now. From local races to the Presidential campaign we need to ensure registered voters are casting their ballots.

As members of the 44th we can lead by example. Find a campaign, get involved and let's win this election!

Candidate Spotlight – Katrina Ondracek

A United Way of Snohomish County executive and longtime resident, Katrina is a proven community leader who understands local priorities and delivers for local families.

As Executive Vice President of United Way of Snohomish County, Katrina has led the organization's public policy efforts, overseen education and financial stability initiatives, led community engagement, and secured critical resources to expand capacity. Her efforts improve lives — from implementing K-3 early learning and workforce development programs to fighting predatory payday lenders. Katrina is a dedicated advocate. We need her in Olympia!

Here's how you can help – Call Damon Yeutter, Campaign Manager at 425-293-7456. Or send him an email at damon@44thdems.org.

- Doorbelling is a priority. Damon will provide walk lists, literature to pass out, and clipboards. All you have to do is go for a quick walk, knock on doors, and chat with residents about Katrina!
- Katrina's campaign has a robust, coordinated phone-banking effort that will launch in early October and run through the November 8th election. The phone-bank will be fully digital, so you can elect to make calls from the campaign office, or from the comfort of your own home!
- Fancy yourself as an early morning type? I sure don't, but if you are the kind of person who wakes up and is raring to go, Katrina would love some company in her morning-commute sign waving escapades.

Help is also needed around the office, entering data, personalizing campaign literature, and reaching out to donors!
